SIZE SWAP REQUESTS

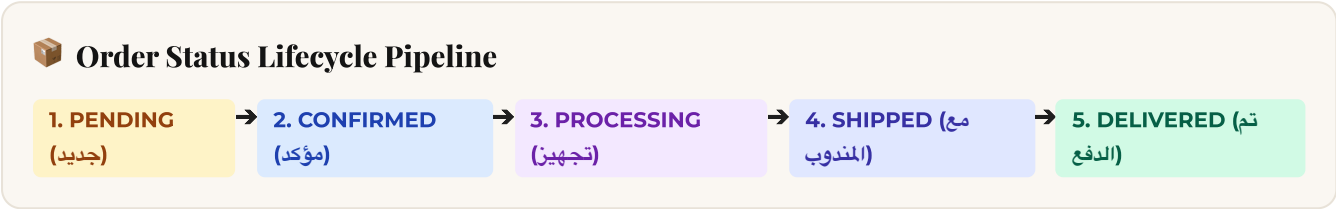

DASHBOARD SECTION	WHAT YOU SEE	AVAILABLE ACTIONS
Navigation Sidebar	Orders, Products, Categories, Discounts, Shipping, Abandoned, Clients, Admins.	Click any menu item to open its dedicated management table.
Stock Health Alerts	Lists products where stock is below 3 units.	Tap [+ Restock] to immediately update unit quantity.
Recent Orders Table	Live stream of incoming orders across Egypt.	Tap any row to view customer phone, address, and items ordered.
Quick Links	"Add Product", "Create Promo Code", "View Storefront".	Opens creation modals in 1 click without deep navigation.

Role-Based Access: Only users registered in the `admins` collection have access to this portal. Unauthenticated attempts are redirected to `/admin/login`.

Orders Management & Courier Dispatch

(`/admin/orders`)

Manage order fulfillment from the moment a client clicks confirm to final doorstep delivery and COD collection.

ORDER ACTION BUTTON	BUTTON APPEARANCE	EXACT FUNCTION
[Status Dropdown]	Select box: Pending, Confirmed, Shipped, etc.	Updates order status in Firestore and updates the client's live tracking bar instantly.
[Print Thermal Invoice]	Printer Icon Button	Prints an isolated packing slip with barcode, client phone, address, and COD total.
[WhatsApp Client]	Green WhatsApp Button	Opens direct chat with client with pre-filled greeting and tracking ID.
[Review Instapay Receipt]	Thumbnail Preview Modal	Displays transfer screenshot with buttons to [Approve] or [Reject] .
[Approve Size Swap]	Purple Alert Badge	Approves client size exchange request and marks order for courier swap dispatch.

Product Catalog & Inventory Management

(`/admin/products`)

Adding new Haute Couture designs, setting dual-language titles, assigning colors, and managing stock counts.

✦ Adding a New Product Checklist

1. Names: English Name & Arabic Name (e.g. Linen Set / طقم كتان فاخر).

2. Pricing: Regular Retail Price + Optional Discount Offer Price.

3. Images: Drag-and-drop up to 5 photos (Auto-compressed to WebP).

4. Color Palette: Color name + HEX color picker (e.g. #DCC9A6).

5. Sizes: Toggle XS, S, M, L, XL, XXL, Free Size.

6. Stock Counter: Set physical inventory count per item.

PRODUCT FIELD / ACTION	WHAT IT DOES
[+ Add New Product]	Opens full publication modal with instant preview.
Discount Price Field	When set lower than Price, automatically flags item as an Active Offer .
Featured Toggle	Places the garment directly onto the Homepage curated showcase carousel.
[Edit / Delete]	Modify existing prices or soft-delete discontinued garments safely.

Discounts, Shipping Zones & 1-Click WhatsApp Recovery

Promotional codes, Egyptian shipping rates, and reclaiming lost sales with zero message fees.

Promo Codes & Discount Engine (`/admin/discounts`)

Create vouchers like ARMIA10 (10% Off) or SUMMER150 (EGP 150 Off). Set minimum spend, expiration dates, and usage limits.

Shipping Rates for 27 Governorates (`/admin/shipping`)

Configure custom shipping rates per governorate (Cairo EGP 100, Giza EGP 100, Alex EGP 120, Sahel EGP 140) and set the **Free Shipping Threshold** (e.g. Orders above EGP 2,000).

1-Click WhatsApp Cart Recovery (`/admin/abandoned`)

100% FREE • ZERO META FEES

When customers leave before finishing checkout, tap [ **Send Recovery WhatsApp**]. It immediately opens WhatsApp with a pre-written, personalized message:

"مرحباً [اسم العميل] ✨ لاحظنا أنك تركت [اسم القطعة] في حقيبتي تسوقك بـ ARMIA Boutique! استخدم كود الخصم الحصري: [ARMIA10] للحصول على خصم 10% وشحن سريع. أتمنى طلبك من هنا: [رابط الاستعادة]"

FEATURE	COST	SAFETY & LIMIT
1-Click WhatsApp Recovery	0.00 EGP (100% Free)	Unlimited messages, zero risk of number ban.
Customer Database (`/admin/clients`)	Included Free	View lifetime order totals, total spend, and contact numbers.
