CLIENT EDITION • VERSION 2.0 • 2026

MAISON ARMIA • OFFICIAL SYSTEM MANUAL • CONFIDENTIAL & CLIENT-FACING

The Storefront Header & Navigation Bar

The top navigation of ARMIA is designed for seamless, one-tap access to every boutique section on mobile and desktop.

ELEMENT / BUTTON	LOCATION	WHAT IT DOES WHEN CLICKED
ARMIA Logo	Header Center/Left	Instantly returns the client to the main Homepage from any screen.
Collections Dropdown	Main Menu	Opens a categorized view: Dresses, Two-Piece Sets, Abayas, Blazers, and Scarves.
New In	Main Menu	Filters and displays the latest Haute Couture arrivals added in the last 30 days.
Best Sellers	Main Menu	Shows the highest-rated and most ordered pieces across Egypt.
Language Switcher (EN / عربي)	Top Right	Instantly flips the whole website between English and Arabic with full RTL support.
Search Icon (🔍)	Top Right	Opens live instant search with auto-suggest as the customer types fabric or style names.
Wishlist Heart (❤️)	Top Right	Opens saved favorites; displays a live counter of liked items stored locally in the browser.
Shopping Bag (🛒)	Top Right	Slides open the interactive Cart Drawer with live free delivery meter and auto-discounts.

 **Live Announcement Top Bar**

Located at the very top of every page, it pulses with real-time flash offers: e.g. *"Free Express Delivery on orders above EGP 2,000 across all 27 Governorates!"* plus a live countdown timer.

The Occasion Stylist (AI Wardrobe Generator)

A 1-click personal concierge that instantly styles a 3-piece haute couture look based on where the client is going.

 **"Style Me For My Event"**

AI CONCIERGE • FREE

Clients select their destination venue, and in 2 seconds ARMIA curates an outfit with matching accessories and styling notes.

Direct WhatsApp styling consultation with our head designer.

OCCASION STYLIST BUTTONS	ACTION & OUTCOME
[Venue Selection Cards]	Filters catalog immediately for tailored fabric weights and formal levels.
[Add Entire 3-Piece Look to Bag]	Adds dress, outerwear, and scarf to cart in 1 tap with a bundled discount.
[Re-Roll Another Look]	Generates an alternative complementary color palette for the same occasion.

Product Details Page (PDP) & Sizing Guide

Every product page provides high-definition atelier visuals, interactive color swatches, and precision size measurements.

 **High-Resolution Visual Gallery**

- Hover Zoom:** Move cursor over garment to inspect stitching and fabric texture.
- Thumbnail Strip:** Tap secondary photos to view model from back, side, and movement.
- Offer Badge:** Shows red/gold discount tag with exact EGP savings.

 **Interactive Size Selector**

- Pill Buttons:** XS, S, M, L, XL, XXL, and Free Size.
- Out of Stock:** Automatically dims unavailable sizes to prevent order errors.
- Urgency Counter:** Red alert if fewer than 3 pieces remain in inventory.

PDP BUTTON / FEATURE	VISUAL APPEARANCE	WHAT IT DOES
Color Swatches	Circular color bubbles with active gold border	Switches product photo to the chosen color (e.g. Oatmeal Beige, Midnight Black, Sage Green).
Size Chart Link	"  View Size Guide (دليل المقاسات)"	Opens modal with Bust, Waist, and Hip measurements in centimeters and inches.
Quantity Adjuster	[-] 1 [+]	Increases or decreases order quantity with instant price calculation.
ADD TO BAG	Solid Black Button with Gold Text	Adds the piece to the cart drawer, displays haptic feedback, and opens the drawer.
BUY NOW (1-CLICK)	Gold Gradient Button	Bypasses the cart and sends client straight to Checkout for lightning-fast purchase.
WhatsApp Stylist	Green WhatsApp Icon	Opens direct chat with ARMIA hotline (+20 122 085 9992) with product name pre-typed.
Save to Wishlist	Heart Icon Button	Saves piece for future reference; stays stored even after closing browser.

The Smart Cart Drawer & Free Delivery Meter

A sliding luxury drawer designed to maximize customer savings and make checkout frictionless.

 **Dynamic Free Delivery Progress Bar**

Calculates how many Egyptian Pounds are remaining to unlock Free Shipping across Egypt:

 **Add EGP 250 more to unlock Free Express Delivery!**

75%

CART DRAWER FEATURE	WHAT IT DOES
Quantity [+] / [-]	Updates items and automatically recalculates bulk tier discounts.
Trash Icon ()	Removes the item from bag with a gentle undo confirmation toast.
Auto-Discount Pill	Displays green badge showing exact savings from active promotions (e.g. 10% Off).
PROCEED TO CHECKOUT	Transfers the client to the 1-Page Express Checkout with SSL encryption.

Abandoned Cart Protection: If a client enters their phone number at checkout but leaves without finishing, our system saves their bag safely so they can return anytime with 1 tap.

Checkout: 1-Tap GPS Finder & Payment Methods

Designed for Egyptian mobile shoppers: zero manual typing of long governorates and districts.

 **1-Tap GPS Address Finder**

Clients simply tap [ **Use My Current Location**]. The system auto-populates:

1. Governorate
Matches all 27 Governorates including Sahel, Matrouh, Cairo, Alex.

2. City / District
Extracts compound, village, or neighborhood (e.g. Stella Heights, Tagamoa).

3. Street Address
Extracts road name and main area landmarks.

 **Building / Villa & Apartment Number is mandatory (*) and left empty for courier delivery accuracy!**

PAYMENT METHOD	HOW IT WORKS	CLIENT EXPERIENCE
Cash on Delivery (COD)	Pay upon delivery directly to courier across all 27 governorates.	Zero upfront payment; client can inspect package before handing cash.
Instapay Transfer	Instant bank/wallet transfer to official number 01204000195 (armia emad).	Client uploads transfer screenshot directly on page; atelier verifies instantly.

 **Pre-Purchase Checkout Upselling ("Complete Your Look")**

Inside the order summary, clients see matching items with **active discounts**. With 1 click on [**+ Add / أضيفي**], the piece is added into their shipment with real-time total recalculation!

Order Confirmation, Tracking & Size Swap Portal

The complete post-purchase hub: live tracking, isolated invoice printing, and hassle-free exchanges.
